ﷺ ﷺ ﷺ ﷺ

(Bismillah ir-Rahman ir-Rahim)

It is in the name of Allah, most Gracious, most Compassionate - that this slave of *Allah (swt)* begins this website.

Each step I take - I take in both hope and fear. In hope that it is in the purest direction - in that of *Allah (swt)*. In fear that it is not in the direction of misguidance. I consider myself to be a *Salik* (a seeker) - in this great ocean of knowledge of Islam.

Howsoever much *Ilm* (knowledge) we gain, we should always consider ourselves as humble pupils -at all times. Eager to learn more and more from the great *Ulama, in shallah*

. Those who remain humble, never close the doors of knowledge on themselves. They continue to seek more, striving forward, continually - refining their knowledge so that they can have a greater understanding and insite even into the more subtle intricacies of Islam.

At times we will need your assistance, feedback and comments - and *inshallah* we hope that in all other times this site, its resources and most importantly its members - will be of great guidance to us all.
